### School of Rock Internship

Youthrock Teen Ministries has set in motion a student Internship Program here at Solid Rock Family Church. It is called "School of Rock." This program starts in August at the beginning of the School year and ends in May of the same year. Students that apply to be an Intern apply for the current school term and their qualifications include:

1. **Must be in 10<sup>th</sup> thru 12<sup>th</sup> grade**
2. **A very open schedule**
3. **A huge commitment level**
4. **And a heart for God**

This program is designed to teach, equip, and build Godly character. Students work incredibly hard but the rewards are tremendous.

Duties vary but consist of set-up and clean up for a lot of events including Fall Festival, dinners, and special events. Sunday afternoons we come together for study and a time to dig into the Word of God and work on our personal, Godly characteristics

As we know, communication is the key to any relationship. In ministry it is vital that we communicate effectively between all parties. We found that this works. Wednesday nights the interns rotate and take their turn to ride on the bus routes. This is very rewarding, eye opening experience that can be a little stressful, but definitely beneficial for all.

Also, we have an opportunity to get involved in our community with the Special Olympics of Jefferson City. We are so excited about the outreach and the joy of meeting so many new faces.

So far, School of Rock has been an awesome experience. We here at Solid Rock Family Church have the most talented and gifted students in the world. These are not only our future leaders but they are the leaders of today. They are going to ROCK OUR WORLD!
